DRESS \$550

gilt groupe

A dream come true: the impossibly low prices of a sample sale without the crowds. Here's how it works: The website Gilt Groupe partners with top designers like Zac Posen and Philip Crangi to host 36-hour sales, with fantastic items (usually extra inventory from the current season) at savings of up to 70 percent. The site is accessible by invitation only, but everyone who enters through *Lucky* will be invited.
