new, fun iPhone apps

Gilt on the Go

You don't have to be in front of the computer at 12 PM sharp to shop the awesome sales.

Target

Input the item you want, select your store of choice, and this app will point you to the exact aisle.

New York Adorned

This tattoo parlor/jewelry boutique in NYC's East Village is famous for its world-class artists—the app reveals a different tattoo every day.

eBay Mobile

A slick interface allows for easy browsing—and bidding.

Free Shipping

This spin-off of the popular coupon-code-aggregating website, freeshipping.org, compiles ways to save, organized by category or brand.

Closet Lite Of all the wardrobe-organizing apps, this is the best. You can create photo-based packing lists and track when you wore specific outfits.
