We've all had that moment of looking into a closet full of clothes and finding nothing to wear. What to do? **Nick something from the boyfriend's!** "Men's clothes make women feel powerful and sexy—and **leave a lot to the imagination,**" says model Anja Rubik, above with her beau, model Sasha Knezevic. Here are **ten sharp menswear pieces** that look good (dare we say, even better) on us. And single ladies, take heart: At least you don't have to share.
